

Dear students

As you know the French government issued the following measures from Monday March 16:

- All educational institutions (kindergartens, schools, universities) are closed until further notice but will propose some remote/online courses, when possible
- Student dormitories are closed except for foreign students that have no safe opportunity to return home
- Public transportation (buses, trains..) is going to be gradually reduced
- Bars, restaurants and all other accommodation, sport, cultural and other facilities (wellness, hairdresser....) are now closed
- Shops remaining open are grocery stores, pharmacies, post offices, banks and gas stations.

The following measures at Poitiers University are taken:

- Courses and other teaching activities programmed in the university premises have been postponed and/or cancelled
- Other student facilities including libraries, study rooms and sport facilities have been closed
- Training periods, Cultural activities, field works and trips have been postponed and/or cancelled
- The Office for International Relations is operational via email and so are the Faculties' International Offices
- All the students have normally been contacted by their educational supervisors to take distant/remote courses

**If you must/wish to return home**, you **MUST** inform about your departure to your educational and mobility manager(s) at your home university and at the University of Poitiers. This is absolutely necessary to maintain your security.

**If you must/choose to stay in Poitiers**, you **MUST** also inform your educational and mobility manager(s) at your home university and at the University of Poitiers. This is absolutely necessary to maintain your security.
